Experience

2022/7 - Present (Full-time)
Promoter - Shifaa, Carrefour

- As a promoter for Shifaa, I'm responsible for promoting the company's products to the interested customers and help the customers find the right product to buy.

In Progress (Freelance)
Front-End Developer - Agachainska's Portfolio Website

- This project is a personal portfolio for a professional UI/UX designer. I'm working on completing what a team of developers has worked on before and also add new parts and features to the website.

2021/8 - 2022/2 (Contract)
Front-End Developer - CoinOn.me ☐

- At CoinOn I was working alongside the team to turn the design into code, add new features, improve the performance of the website, and add new content to the website. Basically the main front-end developer.
